Gentlemen:-

Your name was furnished me by the New York Times as being interested in old coins.

I have on hand three gold pieces, each of $3.00 denomination , bearing dates as follows: 1854, 1872 and 1873. All are in perfect condition.

Would be pleased to receive your offer for them.

Very truly yours,

Dear Sir:

Your favor of February 16th received and we are prepared to give you twice face or $18.00 for your three - three dollar gold pieces. This is subject to examination as we wish to verify the dates and examine their condition because if they are worn or mutilated they are worth only their gold value.

Very truly yours,

HW:JG
